ASHLEY BARRETT)	

DEFENDANT'S MOTION TO FILE UNDER SEAL

Defendant Ashley Barrett, by her counsel, respectfully moves to file her sentencing memorandum under seal together with her financial statement with supporting documents.

As grounds for this motion, undersigned counsel states that the sentencing memorandum contains personal and confidential information about defendant and others that should not appear on the court docket. If the Court permits this motion, undersigned will electronically file a redacted memorandum with the particularly sensitive information about defendant and others omitted.

Second, undersigned counsel was remiss in failing to submit financial information to the United States Probation Department by the date of the initial disclosure of the presentence report. Accordingly, he is submitting the information directly to the Court. The financial information is sensitive, with personal identifiers, and should not be on the public docket.

Respectfully submitted,
ASHLEY BARRETT
